

PRESS RELEASE

FOR IMMEDIATE DISTRIBUTION

GRAND SAGA AND GRAND SEPADU ANNOUNCE DISTRIBUTION OF FREE TOUCH 'N GO CARD WITH A COMBINED TOTAL VALUE OF RM42,000 IN CONJUNCTION WITH CHRISTMAS DAY CELEBRATION

KUALA LUMPUR, 21 December 2015 – Taliworks Corporation Berhad (“TCB” or the “Group”) through its subsidiary, **Grand Saga Sdn Bhd (“Grand Saga”)**, which currently holds the concession for the Cheras-Kajang Highway, and its joint venture company, **Grand Sepadu (NK) Sdn. Bhd. (“Grand Sepadu”)**, which holds the concession for the New North Klang Straits Bypass Expressway (“**NNKSB**”), today announced a distribution of free Touch ‘n Go Cards in conjunction with the Christmas Day celebrations. This offer is as part of the on-going **Corporate Social Responsibility** initiatives to give back to the community and in appreciation to the road users at both highways.

The card which normally cost RM10.00 comes with a **preloaded value of RM4.00** and will be issued at the toll plaza cash lanes beginning on 23 December 2015 (Wednesday) until stocks last.

Grand Saga will be distributing 2,000 Touch ‘n Go cards, with a total value of RM28,000. This distribution is to compliment the proposed cashless tolling which is scheduled for implementation at Cheras-Kajang Highway on 13 January 2016. With the 100% electronic tolling, only SmartTAG, Touch ‘n Go or PLUSMiles cards are allowed at the lanes.

Grand Sepadu will also be distributing 1,000 Touch ‘n Go cards, with a total value of RM14,000.

Mr. A. Rajasolan, Senior General Manager in wishing all Malaysians “**Merry Christmas and Happy Holidays**”, reminded road users to drive safely during this festive period.

Grand Saga’s Cheras-Kajang Highway is one of the first four-lane dual carriageway in Malaysia which stretches at 11.5km from the Connaught Interchange, Cheras to Saujana Impian, Kajang.. The 17.5km NNKSB Expressway which links Port Klang to Klang town is operated and managed by Grand Sepadu.

ABOUT TALIWORKS CORPORATION BERHAD

Taliworks Corporation Berhad (“**Taliworks**” or the “**Group**”) was listed on the Main Market of Bursa Malaysia Securities Berhad on 27 October 2000. Taliworks is an established infrastructure company involved in water treatment, highway management, construction & engineering and waste-related businesses both in Malaysia as well as overseas.

Taliworks started out in the water management sector in 1987 as a pioneer in the privatisation of the water supply in Malaysia and today, the water business still leads as the main core business activity of Taliworks. Since 2004, the Group has diversified its business interests to include the waste management segment in China and highway toll operations and maintenance in Malaysia in 2007 through a few strategic acquisitions. Taliworks currently employs about 700 employees in Malaysia and the People’s Republic of China.
